## Whooping Cough.

A woman who has had experience with this disease, tells how to prevent any dangerous consequences from it. She says: Our three children took whooping cough last summer, our baby boy being only three months old, and owing to our giving them Chamberlain's Cough Remedy, they lost none of their plumpness and came out in much better health than other children whose parents did not use this remedy. Our oldest little girl would call lustily for cough syrup between whoops—Jesse Pinkney Hall, Springfield, Ala. This Remedy is for sale by W. E. Pelham & Son.

## A Shield of Defense.

Against competition is the reputation that "Clifton" flour has gained by its purity and high quality. It has fought its way to the front by sheer merit and it challenges any and all other flours to dislodge it from its well-earned position.

Made in a modern mill, newly remodeled on special plans of the most advanced type; milled with the utmost care and scientific skill from carefully selected wheat, "Clifton" flour is now surpassing even its own former standards. Its popularity, its hold on trade from the dealer to the consumer, grows greater day by day.

What this means to us, it means also to all who use or handle "Clifton." Do you use or handle it? Can you afford not to?
